Mandin Award

The Mandin Award was established in 1991 in memory of Maurice, Susan, Isaly, and Janelle Mandin. Maurice and Susan Mandin were teachers with a sincere interest in children with special needs. Isaly and Janelle, their daughters, were students.

The Mandin Award is up to \$400 and is given to assist an Albertan between the ages of 4 to 21 years of age who is living with learning disabilities or Attention Deficit Hyperactivity Disorder.

The award may be used to supporting the costs of attending summer camp, social skill development courses, tutoring, and assessments. Disbursements of the funds are made directly to the program or service, or to the award recipient upon receipt of an invoice.
